## SEEDSMEN Advantage Has You Covered

In combination with Lloyd's, Dalton Timmis has created a custom-built comprehensive insurance product to meet your needs. You can be assured you have the right insurance coverage.

In recognition of the need for a global approach to risk management, the International Seed Federation, in conjunction with Underwriters at Lloyd's of London, developed a tailored Professional Liability Insurance product for those involved in the seed industry.

All parties involved in the growing, conditioning or distribution of seeds know that mistakes can occur, which can cause or contribute to the loss in whole, or in part, of the customer's crop.

Take advantage of the best insurance coverages designed specifically for your industry. Protect your company and reduce your risk through SEEDSMEN Advantage.
